MESSAGE FROM FOUNDATION PRESIDENT MIKE CENDRO

The mission of the Point West Rotary Club Foundation is to manage and grow the funds entrusted to it in a prudent and lawful manner and to make available charitable funding in perpetuity for qualified beneficiaries selected by the Point West Rotary Club.

Rotary year 2022-2023 (July 1, 2022-June 30, 2023) proved, once again, that the Foundation fulfills that mission every day in so many ways.

- Direct donations by Club members, including their families and friends was approximately \$155,000.
- Net equity of the Foundation as of June 30, 2023, was \$1.58 million.
- The Foundation continues to underwrite our Club’s most significant fundraiser, the California Brewers Festival. Now in its 29th year, the event has raised on average, \$89,300 annually from the last four Brewfests.
- Through donations and fundraising the Foundation funded an amazing \$240,864 in grants and aid, both locally and globally, during the 2022-2023 Rotary year.

As a public benefit corporation 501(c)(3), the Point West Rotary Club Foundation serves only one member; Rotary Club of Point West-Sacramento. And what a powerful, impactful, hard working and fun loving group of Rotarian’s they are!

Thank you to the Foundation’s professional advisor, Harlan Van Vooren from Baird Investments, whose expertise and guidance is key, as well as the Foundation Trustees, who take their fiduciary commitment so seriously. Lastly, a heartfelt thank you to all the Point West Rotarians and others whose wonderful generosity in gifts of time, effort and dollars helps the Foundation continue fulfilling its mission now and in perpetuity.

MESSAGE FROM CLUB PRESIDENT JOHN PRICE

At its heart, Rotary brings individuals together—individuals from diverse backgrounds and walks of life, all united by a common desire to channel their expertise for the greater good. Collectively, we empower youth, enhance healthcare, foster peace, and uplift communities in every corner of the world. For the past 38 years, Point West Rotary has ardently pursued this noble mission. Our most cherished achievement is our unwavering commitment to respond whenever our community calls upon us.

During the 2022-2023 term, we were fervently dedicated to serving our community. Point West Rotary was deeply engaged in several impactful projects. Our dedicated members initiated a community garden and generously volunteered their time each month to support three local schools in collaboration with the River City Food Bank. This year, Point West Rotary members rang the bell for the Salvation Army and participated in the Salvation Army Food Bank’s ‘chicken-chucking’ event, distributing food during the Christmas season. Furthermore, we actively participated in two American River Parkway clean-up days. Remarkably, members of our club even journeyed to Baja, Mexico, contributing their time and resources to Camp Hope—an entirely volunteer-constructed and funded program that shelters single mothers and their children.

As a club, we proudly hosted the 29th annual California Brewers Festival. This event provided an opportunity for our community to unwind, enjoy each other’s company, and raise funds for local causes, notably Runnin’ for Rhett and WEAVE.

Point West Rotary has always sought to connect with the next generation. This year, we partnered with two Interact High School Clubs, organized a Speech Contest, and awarded \$8,000 in scholarships. To further our commitment, our club matched the funds received from a Rotary District 5180 Grant, enabling us to construct multiple private counseling rooms at the Sacramento Youth Center. In collaboration with other Rotary groups in our area, Point West Rotary co-hosted the Spring Forward event at Christian Brothers High School, distributing 160 bags of food, clothing, and essential supplies to unhoused youth and their families.

One of our most exhilarating endeavors was celebrating the 10th anniversary of the Partners in Leadership Mentorship Program. This transformative program pairs 30 high school juniors and seniors with dedicated Rotarians as mentors. These mentees receive invaluable one-on-one guidance and benefit from monthly follow-up support throughout the school year, commencing their journey at Sacramento State University’s college campus.

In closing, Point West Rotary remains steadfast in our commitment to serving our community, fostering the next generation of leaders, and making a meaningful impact. We look forward to another year of unwavering dedication and collaboration in the pursuit of a better tomorrow.
